

## Helena Flats School

### Supply List for First and Second Grad Montessori Classrooms

Our classroom needs are specific and diverse. In an effort to reduce cost and time we are asking for \$20.00 for supplies. We will purchase items in bulk at a reduced cost and only purchase what our classroom needs.

On the first day of school, your child will need to bring:

1. Backpack
2. Inside shoes \*
3. 2 boxes of tissues
4. \$20.00
5. Water bottle

\* Inside shoes protect all of our clothing as we spend time sitting on the floor. It works out best if inside shoes also double as P.E. shoes.

We hope this saves you time and effort as well as saving money.  
If you have any questions please call or stop in.
