Helena Flats School Athletic Program

Philosophy:

The Helena Flats Athletic program will provide motivated students with an extracurricular activity, which promotes teamwork, sportsmanship, and competition. Every effort will be made to provide a fair and just environment for all players.

Practices:

Attendance at practices is mandatory. Players need to be dressed appropriately and promptly for practice times. Playing time after a missed practice will be up to the coaches discretion.

Games:

There will be an attempt to give a fair amount of playing time to all players based on the coach's discretion.

Attendance:

All absences need to be communicated to the Coach. Unexcused absences will result in the athlete sitting out the next game. The amount of absences will affect playing time.

Scholastic Expectation:

All student athletes must maintain a C grade or above in all core classes to participate in school sponsored sports. Grades will be checked afterschool on Thursdays. If a student is found to be ineligible they will be given notice on Friday and have until Monday at 10 am to communicate with teachers and COMPLETE any work the teachers deem necessary to raise their grade. If they have not accomplished these tasks by Monday at 10am they will be ineligible to play in games for that week.

Behavioral Expectations:

As with school policy, players who receive a disciplinary referral will become ineligible for a period of 5 school days. Any behavior, which is unsettling to the team, will be discussed with the player, parent, and coach. Students are expected to represent Helena Flats in a favorable and respectful manner during games and trips.

Transportation:

There will be a bus provided for all away games with the exception of tournaments, attempts will be made to arrange a bus for tournaments during school hours but not guaranteed. Bus will travel both to and from games and students who will need to ride the bus back should have rides waiting when the bus returns to the school.
