

Chief Chatter May 2018

Greetings:

Now that the weather is warmer and many kids are beginning to ride their bikes to school I would like to remind them not to ride them on the school sidewalks. When they get to the school sidewalks please step off your bike and push them. If you ride them through the parking lot please be careful there are many cars in a hurry and may not see a bicycle coming by.

If you are dropping your student off, do not drop them off on the road to enter the playground. Please drop them off via the school parking lot at the main school entrance. Students may go through the school to the playground.

School Board
Election
May 8

Ballots must be
received by 8:00pm

Mail or drop off
your ballot to:
1000 Helena Flats Road

Thank you,

Mr. Banker
